Scale

1-Excellent 2-Strong 3-Manage 4-Strongly Manage 5- Not recommended

Disclaimer: Response to Fungicide (RTF) scores measure the response of the hybrid to a fungicide in the absence of diseases present in the field.

DEKALB® Brand

2026 Fungicide Recommendations

Southeast & South Central Nebraska

- ★ Highly Recommended
- 🛡️ Recommended in Most Situations
- 🔹 Use with Appropriate Management
- 🚩 Recommended in Limited Situations

Defensive Recommendation: Based on the disease profile of the hybrid and late-season integrity.

Offensive Recommendation: Based on the yield responses we have seen in our trials and customer fields.
